

## **Pentegra's Ken Jackson & Kris Krikorian Named 2016 NAPA Top DC Wholesalers**

**White Plains, NY September 7, 2016** Pentegra is pleased to announce that Ken Jackson and Kris Krikorian have been named NAPA 2016 Top 100 DC Wholesalers. The elite list is comprised of the top 100 DC wholesalers in the nation and represents the top 7% of the industry. The NAPA list is an industry staple for identifying top tier wholesalers who truly add value for advisor-partners.

Since joining Pentegra in 2011 as a Regional Director based in Colorado, Jackson has been instrumental in leading the organization's retirement plan and fiduciary outsourcing business development efforts throughout the West. Jackson's experience with MEPs has been key in catapulting Pentegra's growth in this area.

An industry veteran, Krikorian joined the Pentegra organization as a Regional Director in 2014. Based in Southern California, he has successfully led Pentegra's retirement plan business development efforts throughout the region. His deep industry knowledge and expertise have been enormously helpful to his advisor-partners in developing fiduciary outsourcing solutions and MEPs for clients.

Said Pentegra's Pete Swisher, Senior Vice President of National Sales, "It is an honor to have two of our team members elected to the NAPA Top 100 Wholesaler list. We are so very proud of Ken and Kris and congratulate them on this accomplishment. They are both outstanding contributors and assets to our team."

The NAPA Top DC Wholesaler is a true industry distinction, as it taps the knowledge and experience of NAPA's nearly 8,000 members. The final vote tallies are reviewed by the NAPA Top Wholesalers Blue Ribbon Committee, which selects the top wholesalers. The Blue Ribbon Committee is comprised of NAPA leadership and NAPA advisor volunteers. The **2016 list of top 100 DC wholesalers** will also appear in the Fall 2016 issue of NAPA Net the Magazine.
