White Plains, NY, September 7, 2017 -- Pentegra is pleased to announce that Ken Jackson, Kris Krikorian and Michael Wyant have received recognition from the National Association of Plan Advisors (NAPA), an affiliate organization of the American Retirement Association. They have been named NAPA 2017 Top 100 DC Wholesalers, with Krikorian among the top 10 best in the U.S. Finalists for this year's list of Top 100 DC Wholesalers were selected based on votes by several thousand advisors from a list of nearly 600 wholesalers nominated by NAPA Firm Partner record keepers and DCIOs.

With an estimated 1,400 record keeping and DCIO external wholesalers working directly with advisors, this 2017 elite 'Wingmen' list represents the top 7% of the industry. NAPA's 2017 100 Top DC Wholesalers — the Wingmen — were selected by a process overseen by a blue ribbon panel of advisors. The NAPA list is an industry staple for identifying top tier wholesalers who significantly add value for advisor-partners.

According to Pete Swisher, Senior Vice President, National Sales, Pentegra, "It is an honor to have three of our team members elected to the NAPA Top 100 Wholesaler list. We are so very proud of Ken, Kris and Mike and congratulate them on this accomplishment. They are outstanding contributors and assets to our team."
