

Pentegra and Six8 Advisors Celebrate the Anniversary of the Six8 Multiple Employer Plan

Today, Pentegra and Six8 Advisors marked the anniversary of the Six8 Multiple Employer Plan (MEP), celebrating the success of a program that has now doubled in both size and scope.

The Six8 MEP is a retirement plan solution designed to streamline plan administration, save time, money and reduce the fiduciary responsibilities that come with managing a retirement plan. The plan is offered through Pentegra in partnership with Six8 Advisors. The Plan offers a comprehensive array of plan services, fiduciary relief, a sophisticated investment platform, and participant advice to offer clients a seamless retirement plan solution.

Pentegra has been an industry leader in providing MEPs to advisors and their clients nationwide, having sponsored two of the largest MEPs in the nation for over 70 years. With more than seven decades of highly specialized MEP expertise, Pentegra is focused on working with advisors to develop solutions that help relieve their clients of the fiduciary and administrative burdens that come with sponsoring a retirement plan.

"Working with our valued partner, Six8 Advisors, our goal is to deliver solutions that make retirement plans accessible for all employers, drive plan success and ultimately, participant retirement readiness," said Pete D'Angio, Pentegra's National Director of Not-for-Profit Markets.

"We are thrilled to work with a partner as experienced as Pentegra to deliver a comprehensive MEP offering to our clients," said Eric Cantrell, Founder of Six8 Advisors. "We understand the challenges, frustrations and liabilities our clients face in providing a retirement plan for their employees. The Six8 MEP helps us to provide a solution designed to make sponsoring a retirement plan easy for every employer."
