

Pentegra's Kris Krikorian Named 2018 NAPA Top 100 DC Wholesaler

White Plains, NY, September 10, 2018 – Today Pentegra announced that Kris Krikorian has been named to the list of NAPA 2018 Top 100 Defined Contribution (DC) Wholesalers.

NAPA's 2018 100 Top DC Wholesalers — the "Wingmen" — were selected based on votes cast by several thousand advisors from a list of more than 500 wholesalers nominated by NAPA Firm Partner record keepers and DCIOs. The NAPA list is an industry staple for identifying top tier wholesalers who significantly add value for advisor-partners. These wholesalers represent the top 7% of the industry.

According to Pete Swisher, Senior Vice President, National Sales at Pentegra, "It is an honor to have Kris elected to the NAPA Top 100 Wholesaler list. We congratulate him on this outstanding accomplishment. He is an asset to our team and to the entire Pentegra organization."

An industry veteran, Krikorian joined Pentegra as a Regional Director in 2014. Based in Southern California, he has successfully led Pentegra's retirement plan business development efforts throughout the region. His deep industry knowledge and expertise have been instrumental to his advisor-partners in developing fiduciary outsourcing solutions and Multiple Employer Plans (MEPs) for clients. His focus is on solutions that best bring together the services, fiduciary support, and investment platform to deliver a seamless solution for advisors and their clients and result in retirement plans that deliver successful outcomes for everyone.

The NAPA Top DC Wholesaler is an industry distinction, as it taps the knowledge and experience of NAPA's nearly 12,000 members. The <u>2018 list of top 100 DC wholesalers</u> will also appear in the Fall 2018 issue of the NAPA Magazine.
