- Brandon Campbell is responsible for retirement plan sales in Tennessee.
- Tony Robke supports sales of retirement plans in Cincinnati, Ohio and Kentucky.
- Daniel Tobin supports sales of retirement plans in New York City, covering Manhattan, Staten Island, and the Bronx.

Hodges-Mace announced the SmartBen Bridge program for benefit partners and vendors where they can connect to provide a superior benefits delivery experience for their mutual clients. The SmartBen Bridge program information resides on Hodges-Mace's website, where multiple pages have been created for each stakeholder with individual pages into each vendor partnership.

Hand Benefits & Trust (HB&T), a BPAS company, announced the addition of **Chris Hewitt** as its Sales Consultant, Institutional Trust. Hewitt will deliver the full suite of the HB&T Collective Investment Fund (CIF) solutions to asset managers, retirement plan advisors and recordkeepers across the nation.

Four Twenty Seven announced that Founder & CEO, **Emilie Mazzacurati**, has been named to The Top 100 Magazine's, Top 100 in Finance for 2019. Emilie founded Four Twenty Seven

in 2012, just after Hurricane Sandy, to provide market intelligence on the impacts of climate change for financial markets.

[Corporate Insight](#) announced the winners of its annual Monitor Awards, recognizing digital innovation and best practices within the financial services and health care industries. Firms honored included the following, which won gold medals:

- Asset Management – Advisor Monitor: J.P. Morgan, for its improved navigation and content organization and the comprehensiveness of fund details.
- Asset Management – Investor Monitor: Fidelity, for its estate planning resources, including a tool for registered investors that organizes family and financial documents to generate an action plan.
- Retirement Plan Monitor — Fidelity, for adding a personalized section to its participant homepage that encourages action items to improve financial wellness.
- Healthcare Monitor — Cigna, for its member site experience, which lets users conduct health assessments and use provider locator tools in Spanish.
- Life Insurance Monitor — MassMutual, for its advisor site application education that includes product-specific guides with key application elements for each policy, and dedicated resources for client medical interviews, policy changes and term conversions.
- Annuity Monitor — Vanguard, for its predictive public site search, which features popular term definitions, helpful suggestions when a query yields no results or is misspelled, and the only result filters in the coverage group.

In partnership with [CommonBond](#), **Fiat-Chrysler Automobiles (FCA) US** announced that it added a student loan refinancing program to its package of benefits offered to salaried employees. FCA US salaried employees with student loan debt, as well as employees with federal government-backed Parent PLUS loans, are now eligible to refinance these loans through the program with preferred terms.

[The Center for Workforce Health and Performance](#) announced that **Debra Lerner, MSc, PhD** has been named Chairperson of the organization's Board of Directors. Dr. Lerner, a member of the seven-person CWHP Board since November 2017, replaces Thomas Parry, PhD, President of the Integrated Benefits Institute.

HR software platform provider [BerniePortal](#) has partnered with the jobs website, **Indeed**. Jobs created in BerniePortal will be delivered to Indeed via a feed. Candidates can apply to open positions within Indeed's mobile-optimized interface, and applications and responses appear directly in BerniePortal. After the recruitment process is complete, BerniePortal facilitates onboarding and benefits enrollment for successful applicants.
