With the Passage of the SECURE Act, It Is Time to Talk About MEPs, PEPs, ARPs And Groups Of Plans (GoPs) In a Whole New Way

WHAT:

Join one of the nation's leading retirement plan experts, [Richard Rausser](#) (CPC, QPA, QKA), Senior Vice President at [Pentegra](#), for the latest [PENTalk™ Webinar](#) event as he shares critical insights and knowledge on how recordkeeping partners, investment managers and individual advisors can use Multiple Employer Plans (MEPs), Pooled Employer Plans (PEPs), Association Retirement Plans (ARPs) and Groups of Plans (GoPs) to best meet their needs and help expand retirement coverage in the U.S.

This webinar will provide an overview of the benefits/features of each type of program design; look at how to best evaluate these programs and optimally align programs with opportunities; go over the pros and cons of each type of design; discuss where these types of retirement plans make sense and don't make sense; and provide a deeper understanding of the potential business opportunities for each of the programs.

Media and other attendees will have the opportunity to ask questions during this interactive 45-minute live webinar.

WHEN:

Wednesday March 11, 2020, 2:00 pm to 2:45 pm (ET)

WHERE:

RSVP [here](#) in advance of the live online event.

Please contact us if you cannot make it to the live webinar and want to get a link to a recording following the event, or to set up a one-on-one interview with Richard Rausser about this issue or any other topics related to retirement planning.

BACKGROUND:
